Re: Application of Duke Energy Carolinas, LLC for Approval of Demand-Side Management and Energy Efficiency Rider 13, Decreasing Residential Rates and Increasing Non-Residential Rates

Docket No. 2021-76-E

CORRECTED EXHIBIT B TO APPLICATION

Dear Ms. Boyd:

Attached for filing, please find a corrected proposed Rider EE, which is Exhibit B to the Application of Duke Energy Carolinas, LLC (the "Company") for Approval of Rider 13, Demand-Side Management and Energy Efficiency. The Company discovered an error on page 2 of Exhibit B related to the total Nonresidential Demand-Side Management rider amount and total Nonresidential rate in the version of the exhibit that was included with the original Application filed on March 1, 2021. The program totals and rates included in the Application and Customer Notice are not affected by this change.

Kind regards,

Sam Wellborn
